## Highway 1 Leonard Road Site LA SHPO Letter of Site Recommendation

Re: Final Report

La Division of Archaeology Report No. 22-6471

*Phase I Cultural Resource Survey of 269 acres (108 hectares) near Shreveport, Caddo Parish, Louisiana*

Dear Dr. Shuman:

We acknowledge receipt of the revised draft of the above referenced report. We appreciate the efforts to address our office's comments on the draft report submitted on 5 May 2020.

This letter is for preliminary, informational purposes only and does not constitute consultation or agency coordination with our Office as defined in 36 CFR 800: "Protection of Historic Properties" or by any state regulatory process. The recommendation stated below could change once the responsible federal and/or state agency initiates consultation with our Office. Consultation with the State Historic Preservation Office is not a substitution for consultation with Tribal Historic Preservation Offices, other Native American tribes, local governments, or the public.

If the proposed project will require federal permits, licenses, funds, loans, grants, or assistance for development, we would concur that site 16CD54 remains eligible for nomination to the National Register of Historic Places. We would further concur that sites 16CD55, 16CD250, 16CD252, 16CD253, 16CD257, 16CD258, 16CD259, 16CD269 – 16CD275, and 16CD408 are not eligible for nomination to the National Register. Our office looks forward to consulting with the responsible federal agency, should they become involved in the project, on appropriate strategies for avoiding or mitigating adverse effects to site 16CD54.

We are accepting the report as final; no further submissions are necessary. If you have any questions, please contact Chip McGimsey at [cmcgimsey@crt.la.gov](mailto:cmcgimsey@crt.la.gov) or 225-219-4598.

Sincerely,

Kristin Sanders  
State Historic Preservation Officer
