Dear Mayor Robertson:

As you are aware, our office is completing the design for the 12" Water Main to Serve the Industrial Park. We anticipate the following schedule:

Receipt of Bids	October 2011
Begin Construction	December 2011
Complete Construction	June 2012
Place in Service	June 2012

The current project budget including all defined project costs is \$636,400. The required funds are available.

Yours very truly,
