## Exhibit C

### Notes

1. Title was run for surface ownership only. Abstractor did not run ownership of minerals. Acreage amount is based on assessments from the Assessor's Office of Pointe Coupee Parish.
2. The Vendor and Suit records have been researched for the current land owners. Title research was started on 7/16/1971, being the date of death of Dr. James C. Roberts, Sr. husband of Mrs. Bertha Seibert Roberts. Copies of all acquisition deeds to the current owners are included with this report. Prior acquisition deeds when Dr. Roberts acquired the property are not provided with this report, however, they can be upon request.
3. James C. Roberts, Jr., and his wife Sylvia Reed Roberts undivided  $\frac{1}{4}$  interest in the subject property was sold to F. E. & G, Inc. on 2/6/1984. It is subsequently lost in a Sheriffs Sale to the Bank of New Roads on 7/1/1987. The Bank of New Roads is included in the partition deed recorded at COB 316 Entry Number 13 between the heirs of Dr. James C. Roberts, Sr., and his wife Bertha Seibert Roberts. The Bank of New Roads was run in the Vendor indices very sparingly looking only for the selling acquisitions. The Bank of New Roads received Tracts 1N and 3BN in the partition mentioned above. Tract 1N is not part of this report, however, Tract 3BN is. Therefore, the Bank of New Roads was researched until the sale of Tract 3BN.
4. Tract 3BN is not included in the outline maps of the subject area given to the Abstractor. However, Tract 3BN is contiguous to the subject property of this report and is included for additional information, per instructions. This report can be written not to include Tract 3BN if necessary. Total acreage including Tract 3BN is 845.547 acres. Total acreage of tracts as shown on maps provided to Abstractor without Tract 3BN is 684.972 acres.
5. Sylvia Reed Roberts, wife of James C. Roberts, Jr. appears to put her interest in the subject property into a trust, to be divided into four other trusts. This agreement is recorded in COB 211 Entry Number 93. The subject property is listed on this agreement. However, she then makes a Donation to the trusts of mineral royalty interest and rights. This donation is recorded in COB 211 Entry Number 94 and this document references COB 164 Entry Number 17, which is a donation of mineral royalty interests and rights. Abstractor has not researched mineral royalty interest or rights or the trusts for this report, however, these documents are included for informational purposes. These documents may need to be reviewed by an attorney to fully determine if Sylvia Reed Roberts did donate her interest in the subject property to the trusts or simply donated the mineral royalty interest and rights. This may be of no concern seeing as the interest of Mr. and Mrs. James C. Roberts, Jr. was sold to the Bank of New Roads in a Sheriffs Sale, as mentioned above. These documents can be found in the Miscellaneous section of this report.
6. There is an Affidavit of Ownership recorded by F.E. & G, Inc. stating they purchased James C. Roberts, Jr and his wife's undivided  $\frac{1}{4}$  interest in the subject property recorded in COB 260 Entry Number 194, requesting Gulf Oil Corporation cancel their Notice of Seizure recorded in COB 260 Entry 103. By written notice, the Notice of Seizure was canceled on its face 6/29/1987. Copies of the Affidavit and Notice of Seizure have been included for informational purposes. These documents can be found in the Miscellaneous section of this report.

7. When title was researched, Abstractor came across an Option Agreement between Moseley Properties, L.L.C. and EDG-Louisiana, L.L.C. to purchase a portion of the subject property for industrial purposes. This agreement is recorded in COB 468 Entry Number 214. Abstractor also found an Option Agreement Superseding and Canceling Prior Agreement which essentially cancels the Option Agreement recorded in COB 468 Entry Number 214. The superseding document is recorded in COB 471 Entry Number 97. There is also an amendment to the superseding agreement recorded in COB 488 Entry Number 99. Abstractor is under the impression this option to purchase for industrial purposes has not been exercised. Copies of these documents are provided for informational purposes. These documents can be found in the Miscellaneous section of this report.
8. Brenda Barrios Roberts, wife of George Pitcher Roberts, is also shown in title to be called Brenda Barrows Roberts. Both names have been researched.
9. Dorothy Robique Roberts, wife of William Seibert Roberts, is also shown in title to be called Dorothy Roubique Roberts. Both names have been researched.
10. It appears through research that E. Donald Moseley, husband of Joel R. Moseley is deceased. There was no probate of record for him recorded in Pointe Coupee Parish.
11. The acquisition deeds are shown in order of executed date.
12. There is provided herein, a list of all maps involving the subject property. These maps can be copied upon request.
13. There is provided herein, a list of all servitudes and right-of-ways involving the subject property of the people who were researched. There is included in this list any servitude/ROW that was listed on a sale found while running these tracts. Copies are also provided. Abstractor cannot guarantee ALL servitudes and ROW's have been located as title research was only started in 1971, with the current land owners.
14. There are several servitudes shown on a map found on COB 99 Entry Number 227. This map can be copied upon request.
15. There are numerous servitudes/contracts/leases and agreements that have expired. A list of those are included for informational purposes on the List of Rights of Way, Servitudes and Easements. There is included in the list of expired servitudes/contracts/leases and agreements several oil, gas and mineral leases. A copy of the last oil, gas and mineral lease is included in the copies with this report. Copies of all expired servitudes/contracts/leases and agreements can be copied upon request.
16. Mortgages were checked on Joel R. Moseley, E. Donald Moseley, Moseley Properties, Inc., George Roberts, Brenda Barrios Barrows Roberts and the George and Brenda Roberts Living Trust. Joel R. Moseley and E. Donald Moseley had two mortgages that affected the subject property filed in MOB 188 Entry Number 29 and MOB 197 Entry Number 212. They are both cancelled on the face, however, there is a recorded cancellation for MOB 197 Entry Number 212. The cancellation is recorded in MOB 286 Entry Number 123. Copies of the mortgages and cancellation are provided. There was a Notice of Lis Pendens recorded in MOB 163 Entry Number 019, affecting a portion of the property that is not cancelled on its face. It is a part of an expropriation suit, No. 20,409. See copies for this suit in the Expropriations section of this report.

17. There are several Orders of Expropriations and Civil Suits affecting a portion of the property. Copies of the Orders have been provided. A full copy of the suits can be provided upon request.
18. There were no restrictive covenants found.
19. According to the Articles of Organization of Moseley Properties, L.L.C., Mark D. Mese is listed as a registered agent for this company. Joel Roberts Moseley and E. Donald Moseley are listed as the managers. However, as stated earlier it is believed E. Donald Moseley is deceased.
