RE: B85-Chennault Site 5 (160 Acres)
Product Pipelines & Rights of Way

Dear Gentlemen:

SJB Group, LLC (SJB) has been authorized by Louisiana Economic Development (LED and Southwest Louisiana Economic Alliance (SWLA) to perform due diligence investigations to determine the existence of fatal flaws, if any, that would inhibit the development of Chennault Site 5 (+/- 160 acres), located southeast of the City of Lake Charles in Calcasieu Parish, Louisiana.

The Louisiana Department of Natural Resources Strategic Online Natural Resource Information System (SONRIS) Database was utilized as part of a desktop exercise to identify potential product pipeline crossings, easements, and rights-of-way. There are no pipelines crossing the site.

Please feel free to contact me at (225) 769-3400, at any time, should you have any questions or need further information.

Sincerely,

SJB GROUP, LLC

Michael L. Thompson, P.E., C.E.T.
