Re: LED Certified Site Database  
41.69 Acres Tower Road

Dear Ms. Neal:

This is in response to your email regarding the above-referenced project. Due to the size of the proposed project, our office is requesting that a Phase I archaeological survey be conducted prior to construction. I have attached a list of contracting archaeologists for your reference.

If you have any questions concerning these comments, please contact Rachel Watson in the Division of Archaeology at (25) 342-8165.

Sincerely,

A handwritten signature in blue ink that reads "Pam Breau".
