Dear Mr. Fryer:

The Louisiana Department of Environmental Quality – Remediation Division (LDEQ-RD) has completed review of your document, *Phase II Environmental Site Assessment Report, Calhoun Technology Park – North Tract*, dated August 25, 2017, submitted by PPM Consultants, Inc. on your behalf. It is our understanding that this investigation was conducted in response to a proposed real estate transaction.

The Department inspected the property on December 1, 2017, and is satisfied with the conditions on the North Tract. Based on the limited information submitted, the Department does not intend to respond further regarding this matter. Should you discover any discharges in future monitoring efforts, reporting must be in accordance with the Department's regulations. We will maintain a copy of the report in our files for future reference. Thank you for keeping us informed of your activities.

This letter is not intended and should not be construed to be a concurrence that the information provided is adequate to ascertain the condition of the property in question.

Mr. Fryer
