STATE OF LOUISIANA

PARISH OF CALCASIEU

AFFIDAVIT OF USE AND POSSESSION

BEFORE ME, the undersigned authority, a Notary Public in and for the Parish of Calcasieu, Louisiana, on this day personally appeared Wayne Sweeney, known to me to be a credible and reputable person, and who, after first being sworn on his oath by me, deposes and says the following:

That my name is Wayne Sweeney and I am 52 years of age, I reside at 4861 Troon Drive, Lake Charles, Louisiana. That between the years of 1980 through 2002, I have been thoroughly acquainted with the use, occupancy and ownership of the following described property, to wit:

Section 13, Township 10 South, Range 8 West, Calcasieu Parish, Louisiana.

having started my employment as Assistant Land Manager and later becoming Land Manager for Amoco Production Company during the above stated time period and having been in a position to know the facts pertaining to the use, occupancy and ownership to which the above land has been put during this time and I hereby make the following statement with reference to my knowledge to said land.

Portions of the captioned land along with other land was acquired by Stanolind Oil and Gas Company (predecessor to Amoco Production Company) from Wright Morrow, by deed dated July 31, 1935, and filed under Clerk's File Number 182587, recorded in Conveyance Book 279, Page 245, records of Calcasieu Parish.

By deed Filed on December 22, 1998, under Clerk's File Number 2432789, Amoco Production Company sold to Chennault International Airpark Authority a particular tract of land shown on Exhibit A, attached to said deed and identified as Tract 109-A, along with other land, excluding the South Half (S 1/2) of the land captioned herein. Said Tract 109-A being bounded on the North by East Prien Lake Road, East by Chennault International Airpark Authority and Northwesterly by Union Pacific Railroad right of way.

I am aware of that certain portion that was Less and Excepted from said Tract 109-A, the exception is described in deed No. 2432789 as being retained by Amoco Production Company and reads as follows: "A servitude, easement and right of passage over and across the lease road running from the Southerly line of East Prien Lake Road South across the railroad tracts for ingress and egress by Amoco Production Company and its successors and assigns".

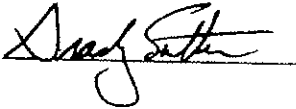

During my employment with Amoco I personally used the right of passage across Tract 109-A to gain access to the Southern portion of the captioned property that was still owned by Amoco Production at the time prior to October 1, 1999, for the purpose of annual inspections of the property. Access was also granted to others for the installation and maintenance of pipeline right of ways and meter stations. Over the years and prior to October 1, 1999, Amoco has also granted access across Tract 109-A to various Lessors for the purpose of Agricultural Leases as well as for the exploration for Oil Gas & Minerals and Geophysical Permit rights.

I know from my own personal knowledge that the portion(s) of the captioned land owned by Amoco Production Company including the rights to the right of way described as the Lease Road in deed No. 2432789, crossing Tract 109-A, during my employment with Amoco have been held open, actual, exclusive (except in instances where certain

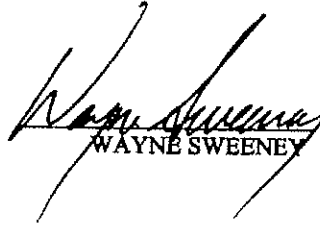

non exclusive use rights have been assigned), notorious and continuous with no adverse claims on any portion thereon.

IN TESTIMONY WHEREOF, witness the signature of said parties in Lake Charles, Louisiana, in the presence of the undersigned competent witnesses, and me, Notary Public, on this the 1st day of September, 2009.
