Acadiana Regional Airport P4 Site LA SHPO Letter of Site Recommendation

Re: Draft Report

La Division of Archaeology Report No. 22-6327

*Phase I Cultural Resources Survey for the Proposed Acadiana Regional Airport P4 Site in Iberia Parish,
Louisiana: Negative Findings*

Dear Mr. Jackson:

We acknowledge receipt of your letter dated 23 August 2019 and one copy of the above referenced report that was submitted as Due Diligence. This letter is for preliminary, informational purposes only and does not constitute consultation or agency coordination with our Office as defined in 36 CFR 800: "Protection of Historic Properties" or by any state regulatory process. The recommendation stated below could change once the responsible federal and/or state agency initiates consultation with our Office. Consultation with the State Historic Preservation Office is not a substitution for consultation with Tribal Historic Preservation Offices, other Native American tribes, local governments, or the public. We have completed our review of this report and have the following comments to offer:

Please include a curation statement in the Abstract

If the proposed project will require federal permits, licenses, funds, loans, grants, or assistance for development, we would recommend to the federal or state agency or agencies that no historic properties have been identified in the project area and no further cultural resource survey or investigation is needed.

We look forward to receiving one bound, double-sided copy of the final report along with a pdf copy. If you have any questions, please contact Chip McGimsey at cmcgimsey@crt.la.gov or 225-219-4598.

Sincerely,

Kristin Sanders
State Historic Preservation Officer
