Double D Site LA SHPO Letter of Site Recommendation

Re: Draft Report

La Division of Archaeology Report No. 22-5966

Phase I Cultural Resources Survey for the Proposed Double D Site, Ascension Parish, Louisiana

Dear Mr. Jackson:

We acknowledge receipt of your letter dated 21 June 2018 and one copy of the above referenced report that was submitted as Due Diligence. This letter is for preliminary, informational purposes only and does not constitute consultation or agency coordination with our Office as defined in 36 CFR 800: "Protection of Historic Properties" or by any state regulatory process. The recommendation stated below could change once the responsible federal and/or state agency initiates consultation with our Office. Consultation with the State Historic Preservation Office is not a substitution for consultation with Tribal Historic Preservation Offices, other Native American tribes, local governments, or the public. We have completed our review of this report and have the following comments to offer.

If the proposed project were to require federal permits, licenses, funds, loans, grants, or assistance for development, we would recommend to the federal or state agency or agencies that site 16AN119 is not eligible for nomination to the National Register of Historic Places, and that no historic properties will be affected by this undertaking. Our office has no further concerns for this project.

We look forward to receiving one bound copy and a pdf of the final report. If you have any questions, please contact Chip McGimsey at cmcgimsey@crt.la.gov or 225-219-4598.

Sincerely,

Kristin Sanders
State Historic Preservation Officer
