Re: Draft Report  
La Division of Archaeology Report No. 22-7437  
*Phase I Cultural Resources Investigation of the Terrebonne Port Commission LED Site Certification Project,  
Houma Terrebonne Parish, Louisiana*

Dear James Eberwine:

We acknowledge receipt of your letter dated 22 December 2023 and one copy of the above referenced report. The submittal is considered Due Diligence. Our response is for preliminary, informational purposes only. The opinion stated below could change once the responsible federal and/or state agency initiates consultation with our Office and provides their determination of effects.

The submittal of this information is not a substitution for consultation under the National Historic Preservation Act and the National Environmental Policy Act.

We have completed our review of this report based on the information submitted and have the following comments to offer.

No archaeological sites or historic standing structures have been identified in the project area and, in our Office's opinion, no further investigations are necessary.

We have accepted the report as final; no further submissions are necessary. If you have any questions, please contact Chip McGimsey at [cmcgimsey@crt.la.gov](mailto:cmcgimsey@crt.la.gov) or 225-219-4598.

Sincerely,

Dr. Chip McGimsey  
State Archaeologist
