Subject: Baton Rouge Airport Certified Site
Attachments: Aviation Business Park.pdf

Hello:

I am working on an application with Louisiana Economic Development to have the Baton Rouge Airport, Aviation Business Park certified as a shovel ready site for development. We do not have any historic structures on this property to my knowledge. Attached is a map of the site labeled in red overlay which is approximately 300 acres, (excluding section #6) of the Aviation Business Park that we are trying to certify. Also, here is a listing of the site which contains coordinates information and additional maps if you click on the map tab;
http://www.louisianasiteselection.com/sites_display.aspx?sitesid=501

Additionally, below is the website to the Aviation Business Park Site that has additional information regarding the site;

http://www.theaviationbusinesspark.com/index.php?option=com_content&view=article&id=4&Itemid=4

If you have any question or need any additional information, please contact me at any time.

Thank you,

-Jim C.
