Data & Communication Lines

An aerial photograph showing a proposed crossing of a 4-inch natural gas line over a road. The gas line is highlighted in yellow and orange. A red arrow points to the crossing location, which is marked with a red 'S' in a pink box. The text 'Delta Utilities 4" Natural Gas' is overlaid on the image.

General Notes:

1. The information presented herein is for planning purposes only. Further detailed due diligence MUST be completed prior to making decisions regarding the site.
2. No attempt has been made by CSRS, Inc. to verify site boundary, title, actual legal ownership, deed restrictions, servitudes, easements, or other burdens on the property, other than that furnished by the client or his representative.
3. Transportation data from 2023 TIGER datasets via U.S. Census Bureau at <https://www.census.gov/geographies/mapping-files/time-series/geo/tiger-line-file.html>.
4. Aerial imagery is compiled from multiple different sources to create one cohesive image and may not reflect current ground condition.
5. Utility information from visual inspection and/or the individual utility operators. Exact field location has not been determined by survey.
6. Utility data was derived and digitized from information provided by CenterPoint, Entergy, and the Chennault International Airport.
