Re: Louisiana Economic Development Site Certification
LaSalle Economic Development District Industrial Site
Letter of Intent to Sell

To Whom it May Concern:

Please accept this letter as confirmation that the LaSalle Economic Development District (LEDD) is the sole owner of the 29.18 acre parcel as shown on the attached survey. Let this Letter of Intent also reflect that the LEDD does intend to sell said 29.18 acre parcel of land.

To clarify the asking price of said property, the LEDD intends to sell the subjected property for \$7,000/acre which amount to a total selling price of \$204,260. The LEDD is willing entertain various lease-purchase options.

The LEDD has determined that it is willing to subdivide the property to a maximum of one 30 acre parcel. The exact subdivision of the property would be negotiated during the selling process.

We appreciate the opportunity to showcase the LEDD Industrial Site in the LED Certified Sites Program. Should you have any questions, please do not hesitate to contact me at (318) 715-2147.

Sincerely,

Murphy McMillin
Executive Director, LEDD
