Phase I Cultural Resources Survey of 114 Acres (46.1 Hectares) Proposed for
Industrial use, Geismar, Ascension Parish, Louisiana

Dear Ms. Breaux:

We herewith enclose two copies of the final report on this project, a CD, and two copies of a site update form for 16AN58.

We have profited by our discussions with Dr. Chip McGimsey and have incorporated his comments into the report with respect to site 16AN58. We have also explicitly stated the numbers of sites 16AN91 and 16AN92 (Page 27), which were found by SURA in 2012.

Thank you for your help during this project.

Sincerely,

Malcolm Shuman
