Rachel:

Recently you assisted me with a review of property owned by Millhaven Plantation located north of Interstate 20 and east of Hwy 594 in Ouachita Parish, Louisiana, for the purposes of site certification with LED .

Millhaven is seeking to apply for certification of another tract owned by the LLC and located south of Interstate 20 and adjacent to La. Hwy 594, Ouachita Parish, Louisiana.

I have attached the following documents to assist.

1. 6.80 acre tract (legal description and plat attached)
2. 250 acre tract located in Section 6, T 17N, R 5E, Ouachita Parish, La. The property is being surveyed by Lazenby & Associates. However, I have attached the legal descriptions I do have for the property.

Also attached are the following:

1. Aerial map showing the location

I am seeking to locate either a Quad map or a topographical map of the acreage to assist.

Please do not hesitate to contact me with questions.

Becky
