## Spanish Trail Industrial Park LA SHPO Letter of Site Recommendation

Re: Draft Report

La Division of Archaeology Report No. 22-6353

*Phase I Cultural Resources Survey for the Proposed Spanish Trail Industrial Park in St. Martin Parish,  
Louisiana*

Dear Mr. Jackson:

We acknowledge receipt of your letter dated 8 October 2019 and one copy of the above-referenced report that was submitted as Due Diligence. This letter is for preliminary, informational purposes only and does not constitute consultation or agency coordination with our Office as defined in 36 CFR 800: "Protection of Historic Properties" or by any state regulatory process. The recommendation stated below could change once the responsible federal and/or state agency initiates consultation with our Office.

If the proposed project will require federal permits, licenses, funds, loans, grants, or assistance for development, we would recommend to the federal or state agency or agencies that no historic properties have been identified in the project area and no further cultural resource survey or investigation is needed.

Consultation with the State Historic Preservation Office does not constitute consultation with Tribal Historic Preservation Offices, other Native American tribes, local governments, or the public. If human remains are encountered, the provisions of the Louisiana Unmarked Human Burial Sites Preservation Act (Revised Statute 8:671-681) should be followed.

We are accepting the report as final; no further submissions are necessary. If you have any questions, please contact Chip McGimsey at [cmcgimsey@crt.la.gov](mailto:cmcgimsey@crt.la.gov) or 225-219-4598.

Sincerely,

Kristin Sanders  
State Historic Preservation Officer
