Port Barre Industrial Park - Central Site LA SHPO Letter of Recommendation

Re: Draft Report

La Division of Archaeology Report No. 22-6126

A Cultural Resources Survey for the Proposed Port Barre Industrial Park in St. Landry Parish, Louisiana

Mr. Jackson,

We acknowledge receipt of your letter dated 15 November 2018 and one copy of the above referenced report that was submitted as Due Diligence. This letter is for preliminary, informational purposes only and does not constitute consultation or agency coordination with our Office as defined in 36 CFR 800: "Protection of Historic Properties" or by any state regulatory process. Consultation with the State Historic Preservation Office is not a substitution for consultation with Tribal Historic Preservation Offices, other Native American tribes, local governments, or the public. We have completed our review of this report and have the following comments to offer:

If the proposed project were to require federal permits, licenses, funds, loans, grants, or assistance for development, we would recommend to the federal or state agency or agencies that sites 16SL229, 16SL230, and 16SL231 are not eligible for nomination to the National Register of Historic Places, and that no historic properties have been identified in the Certification Boundary area. We do not recommend additional cultural resources survey or investigation.

We are accepting the report as final. No further submissions are requested. If you have any questions, please contact Chip McGimsey at cmcgimsey@crt.la.gov, or 225-219-4598.

Sincerely,
Kristin P. Sanders

A handwritten signature in blue ink that reads "Kristin P. Sanders".

State Historic Preservation Officer
