Progress Point Site LA SHPO Letter of Site Recommendation

Re: Draft Phase I Report

La Division of Archaeology Report No. 22-5865

*A Phase I Cultural Resources Survey for the Progress Point Development in New Iberia, Iberia
Parish, Louisiana*

Dear Paul Jackson:

We acknowledge receipt of your letter dated February 28 (received March 5) and two copies of the above referenced report. We have completed our review of this report and have the following comments to offer:

Please be more explicit in your National Register of Historic Places (NRHP) eligibility recommendation. Discuss the site against each of the Criteria. Unknown context and disturbance alone do not necessarily render a site ineligible for NRHP eligibility.

We concur that site 16IB174 is ineligible for listing in the NRHP and that no historic properties will be affected by this undertaking. Our office has no further concerns for this project.

We look forward to receiving one bound copy (printed double sided) and one pdf of the final report. If you have any questions, please contact Emily Dale at the Division of Archaeology by email at edale@crt.la.gov or by phone at 225-219-4596.

Sincerely,

Kristen Sanders,
State Historic Preservation Officer
