Instructions

This is a "protected form." Please enter all data into the white spaces provided. Do not enter data into the gray spaces, which are reserved for LED use only.

Pressing the TAB key will automatically take the user from blank to blank.

All attachments submitted with the questionnaire should be CLEARLY labeled as exhibits: Exhibit A, Exhibit B, etc. All exhibits should also have a title: "Exhibit A – Property Boundary Survey," preferably at the top of the page. The Exhibit labels (both exhibit number and title) need to be placed at the top of the page on the document itself. Exhibit labels should be in BOLD font and at least 16-points in size if the document allows.

Note: To accomplish the above, may require the applicant to purchase a copy of Adobe Acrobat (not to be confused with Adobe READER.) Adobe ACROBAT(~\$99) allows the used to edit PDF documents and place text at the top of any PDF file. So, if the user has a scanned PDF document of a letter from the Corps or a survey boundary, the user can label it properly to reflect the Exhibit number and title.

Lastly, all exhibits should be referenced in the application at least once.

It is the intent of the department to send an electronic copy to prospective purchasers. For that reason, LED is asking that all documents be submitted in both hardcopy and electronic form. In addition to 16-point exhibit names on the top page of each document (discussed above), all files submitted electronically should have a similar filename. That is, the "Exhibit A – Property Boundary Survey", when submitted electronically, should have a filename similar to: "Exhibit A – Property File Survey."

Note: It is critical that the documents in electronic form be clearly labeled: the titles ("filenames") of the electronic files must contain 1) exhibit numbers and 2) document contents AND the document when opened, should have the 1) Exhibit number and 2) title prominently (16-point or larger as mentioned above) at the top of the page.

Minimum Criteria for Entry into the Louisiana Certified Sites Program

Note: A site does not have to be certified to have its profile published on Louisiana Economic Development's interactive sites and building website.

- Size: At least 10 contiguous, buildable acres, free of impediments to development such as soil contaminants, wetlands, flood plain, protected species and/or cultural resources.
- Price per Acre: A price per acre or leasing price is required to certify and publish a site.
- **Property Control/Ownership:** Control of the site through option, purchase or other legally binding agreement must be obtained and maintained as a condition of certification. It is required the property can be obtained free and clear of encumbrances.
- **Zoning:** The site must be zoned or otherwise cleared for industrial applications. If zoned, a zoning district description and map are required.
- **Flood:** At least 10 contiguous, buildable acres must be above the 100 year flood plain. Alternatively, the applicant may provide a plan by which construction footprints can be elevated above the plain and meet FEMA standards.
- **Potable Water:** Delivery within 180 days of notification, either by line or by well, a minimum of 50,000 gallons of potable water per day. If an existing source of potable water is not available (existing line is more than 2,500 feet from the site), certification will require submission of a formal cost estimate, construction plan and funding source to meet the minimum level of service within a timetable of 180 days or less
- Sanitary Sewer: Provide a minimum of 50,000 gallons per day of available sanitary sewer capacity within 180 days of notification. If existing capacity is not available (existing line is more than 2,500 feet from the site), certification will require submission of a formal cost estimate, construction plan, and funding source to meet the minimum level of service within a timetable of 180 days or less.
- **General Road Access:** The roads accessing the site must be able to support vehicles with a maximum gross weight of 83,400 pounds, such as semi-trucks and trailers
- Electricity: Identify service provider or providers that can deliver 3-Phase service to the site within 180 days of execution. If existing capacity is not available at the site, certification will require submission of a formal cost estimate, construction plan and funding source to meet the minimum level of service within a timetable of 180 days or less.
- **Natural Gas:** Natural gas must be available within 2,500 ft of the site or available within 180 days of notification. If natural gas is not available (existing line is more than 2,500 feet from the site), certification will require submission of a formal cost estimate, construction plan, and funding source to meet the minimum level of service within a timetable of 180 days or less.
- Listing: The property owner must agree to have the site published by the Louisiana Economic Development on its interactive sites and building website.
- Phase I Environmental Assessment: The site must have undergone a Phase I environmental assessment as a prerequisite for being considered for participation in the certification process. The Phase 1 Environmental Assessment must be less than 10 years old from the date of submission for non-active sites (agricultural, fallow or forested lands) and less than 5 years old for sites engaged in active commerce within the last five years.
- **Remediated Sites:** If there are unresolved environmental issues, the site cannot be certified until a *No Further Action* letter or its equivalent from the Louisiana Department of Environmental Quality (DEQ) is provided or remediation efforts have been completed and documented according to DEQ standards.

Criteria	Minimum Requirement	Yes/No
Acres above 100-yr flood plain	10 acres or greater	Yes
Price per acre	Price/Lease quoted in writing	Yes
Control of property	Ownership/Option/Other	Yes
Use classification (zoning)	Zones for industrial use and, if zoned, a zoning map is attached	Yes
Potable water	50,000 gpd or greater is available on site within 180 days. If the water source is greater than 2,500 ft from site, a construction plan and cost estimate is attached.	Yes
Wastewater	50,000 gpd or greater is available at the site within 180 days. If the nearest sewer line is greater than 2,500 ft away, a construction plan and cost estimate is attached.	Yes
Electricity	3-phase on site or a construction plan and cost estimate is attached.	Yes
Environmental	 Phase I (less than 10-yr old for agricultural, forestry and fallow sites; less than 5 years old for others) Phase 2 may be required if Phase 1 indicates issues exist on the property. 	Yes
Highway access	Capable of supporting 83,400 pounds gross weight	Yes

I. Verification of Site Availability

A. S	ite Identification					
1.	Site name	Deere Park				
2.	Address or physical location (include accurate latitude/longitude if available)	Intersection of US Hwy 167 and C 30 02'04.23N 92 07'24.88W	Intersection of US Hwy 167 and Cordell Road 30 02'04.23N 92 07'24.88W

10.	Is there a mechanism	to renew the option upon ex	xpiration? (Y	(ES/NO)		
11.	Has a copy of the option to purchase been included with this application? (YES/NO) N/A					
	If YES, include Exhibit# and name of document.					
12.	Special comments, if a	any, relative to option to pur	chase:			
12.						

C. \$	C. Site Zoning, Tax Assessment, and Special Economic Development Districts				
1.	Is site within incorporated municipal limits? (YES/NO) No				
1.	If so, what municipality?				
	Is the site within a zoning district? (YES/NO)	No		
If YES, contact name, agency name, address and phone of zoning authority.		There is no zoning outside the City Limits of Abbeville this site is located. The area is commercial/industrial a Park has been built as an industrial park with its own restrictions as shown in Exhibit 2 - Restrictions			
2.	If zoned, briefly describe the property's current zoning classification?				
	If zoned, has a copy of the zoning regulation been attached? (YES/NO)				
	If zoning regulation is attached, include Exhibit# and name of document.				
3.	Are there any restrictions on noise I	evel? (YES/NO)	Yes		
З.	If YES, please describe:	Only in so much as to not be a nusiance to nearby ow	ners		
4	Are there any height restrictions? (YES/NO)	No		
4.	If YES, please describe:				
5.	Describe any land use restrictions (e.g., hours of operation)	See Exhibit 2 - Restrictions			
6.	Can any required city/parish re-zoning permits or other required permits be issued within 180 days? (YES/NO)		Yes		
7.	Are adjacent properties zoned the same as the site? (YES/NO) Yes		Yes		

	Please describe previous and current uses of the adjacent sites and planned projects. Please note any nearby schools, churches, or residential developments.			
	North: One existing commercial business. Remaining northern property is agricultural			
8.	East: Agricultural, small residental site 0.11 miles east			
	South: Agricultural			
	West: Commercial, Industrial, Agricultural			
9.	What is the current property tax millage applied to the site? Include units (per acre, etc.) 93.43			
10.	What is the current assessed valuation of the site?	\$15,610		
11.	Has a copy of the latest assessment been provided with this application? (YES/N	1O)	Yes	
11.	If YES, include Exhibit# and name of document. Exhibit 3 - Tax Statement			
12.	. Is the site located within a Foreign Trade Zone? (YES/NO)		No	
13.	B. Is the site located within a Renewal Community? (YES/NO)		No	
14.	Is the site located within a Louisiana Enterprise Zone? (YES/NO)		Yes	

D. E	D. Existing Structures on-site				
	Buildings	Size (sq ft)	Year Built		ncluded in sale YES/NO)
	N/A				
1.					
	Paved surfaces				
2.	3 Roads/Streets	60' each with R/W	2008		
۷.					
	Fences				
	None				
3.					
	Are there any cemeterie	s located on f	the site? (`	(ES/NO)	No
4.	If YES, please describe.				
	Can any structures not i	ncluded in the	e sale be r	emoved within 180 days? (YES/NO)	N/A
5.	If current and existing st removed, does a 180-da remove structures? (YES	ay work plan e		N/A	
	If YES, include Exhibit#	and name of	document		

E. L	E. Land Transferability and Encumbrances					
	Has the required copy of the deed been included	with this application? (YES/NO)	Yes			
1.	If YES, include Exhibit# and name of document. Exhibit 4 - Property Deed					
2.	Has the required boundary/property survey been (YES/NO)	included with this application?	Yes			
	If YES, include Exhibit# and name of document.	Exhibit 5 - Boundary Survey				
	List and describe rights-of-way (include property s attach as a separate Exhibit if lengthy.	survey indicating rights-of-way). Feel free	e to			
3.	Include Exhibit # and name of document if attache	ed as a separate document.				
0.	Roadway right of ways are 60' with a 10' utility set	rvitude on each side.				
	Exhibit 6 - Servitudes					
	List and describe other easements (include prope	rty survey indicating easements)				
4.	Include Exhibit # and name of document if attached as a separate document.					
	Building set back restrictions are 40' from right of way and 10' from side property line. Exhibit 7 - Final Plat with easements					
	List and describe any liens against the property.	List and describe any liens against the property.				
	Include Exhibit # and name of document if attached as a separate document.					
5.	None					
	List and describe any judgments impacting develo	opment of the site.				
	Include Exhibit # and name of document if attached as a separate document.					
6.	None					
	List and describe any restrictive covenants.					
	Include Exhibit # and name of document if attached as a separate document.					
7.	Attached is a complete list of Restrictions and Obligations including, use of lots is restricted to commercial use, construction plans must be reviewed by Architectural Control Committee, no bars or night clubs permitted, etc.					
	Exhibit 8 - Covenants					

	List and describe other encumbrances.		
8.	Include Exhibit # and name of document if attached as a separate document.		
0.	None		

F. F	F. Fire Protection Rating and Proximity to Emergency Medical Care				
1.	I. Is fire service available at the site? (YES/NO)				Yes
2.	Name of agency or other provider of fire protection services to the site Abbeville Fire Department				
3.	3. Rating of fire service provider			3	
4.	Distance to fire station (miles)				5
4.	Name of Fire Station providing services to the site Sub Station #2				
	Distance to emergency medical care (miles)			8	3
5.	 5. Name and brief description of nearest emergency medical care facility: Lady of Lourdes Regional Medical Ctr 192 Beds and over 400 active doctors New facility opened in June 2011 at a cost of \$211 million dollars, built on 45 acres Abbeville General Hospital is 7 miles away and has a staff of 81 doctors and is a 60 be facility 				cost of away

II. Utilities and infrastructure

A. F	A. Potable Water Infrastructure				
1.	Has a site map indicating the location of all existing water utilities been provided with this application? (YES/NO) If YES, please include Exhibit# and title of document.		Yes Exhibit 9 - Plat with w	vater lines	
2.	Company/agency name, address and phone of provider of potable water		North Vermilion Water 11822 LA Hwy 699 Marurice, LA 70555 337-898-8345	District #1	
	Distance to the closest potable water line to servic				
3.	(Note: The line must be within 2,500 feet of the sit and cost estimate must be attached to this applica			On site	
	If a construction plan is attached, include Exhibit# and name of document				
4.	Size of potable water line closest to the site (inches in diameter)		both 4 & 6" lines		
5.	Static and residual pressures of the potable water	' lin	e closest to the site	Static 72	Residual 68
6.	Source of potable water (lake, well, other source) Ground water well				
7.	Total potable water system capacity (millions of gallons per day)		1.4 mgp day		
8.	Current average daily use (millions of gallons per	da	y)	.08 mgp day	
9.	Peak load (millions of gallons per day)		.95 mgp day		
10.	Excess capacity (millions of gallons per day)		.45 mgp day		
11.	Has a letter from the provider confirming the excess capacity been provided with this application? (YES/NO) No				
	If YES, include Exhibit# and name of document.				
12.	Distance to closest elevated potable water storage	e ta	ank (miles)	7 miles	

13.	Capacity of closest elevated potable water storage tank (gallons)		990,000		
14.	Distance to the appropriate booster station (miles)		7 miles		
15.	Is or will there be adequate pressure and flow at site to combat fires? (YES/		/NO)	Yes	
	Has a plan to improve or upgrade the existing potable water system (including construction budget and schedule) been provided with this application? (YES/NO) If YES, include Exhibit# and name of document.	No			
16.	If YES, can this plan be executed within 180 days? (YES/NO) N/A				
	If the plan can be implemented within 180 days, what is the basis for this assertion? Discuss with water company? Engineering schedule? Contractor discussions?			ssions	

B. \	B. Wastewater Infrastructure				
1.	Has a site map indicating the location of all existing wastewater utilities been provided with this application? (YES/NO) If YES, please include Exhibit# and title of				
	document.				
2.	Provider of sewer service (company name, municipal name, etc.). Include name, address, phone number and contact name, as appropriate.	Individual Private Plant to b	pe built		
	Distance to the closest wastewater line to service the	ne site (feet)	Plant to be built on site as shown		
3.	(Note: Line must be within 2,500 ft or a construction must be attached.)	n plan and cost estimate	in Exhibit 10 - Proposed Sewer Plant		
4.	Size of wastewater line closest to the site (inches d	of wastewater line closest to the site (inches diameter)			
5.	Is there a force main at or near the site? (YES/NO)				
6.	Capacity of nearest lift station (gallons/day)				
7.	NPDES permit number of sewer provider				
8.	Total capacity of wastewater system (gallons/day)				
9.	Current average daily use of wastewater system (g	allons/day)			
10.	Peak load on wastewater system (gallons/day)				
11.	Excess capacity of wastewater system (gallons/day)				
10	Has a letter from the provider confirming the excess capacity been provided with this application? (YES/NO)				
12.	If not, what is the basis for this assertion?				
10	What are the pre-treatment requirements to discharge to the wastewater system? If lengthy, please include the pretreatment requirements as a separate attachment.				
13.	If included as a separate document, please include Exhibit# and title of document here.				

14.	Has a plan to improve or upgrade the existing wastewater system (including construction budget and schedule) been provided with this application? (YES/NO) If YES, please include Exhibit# and title of documen	t.
	If YES, can this plan be executed within 180 days?	(YES/NO)
15. If VES, please include the Exhibit# and title of		Yes - Cost estimate is \$771,785.00 and will be built by M.P. Dumesnil & Cecil Gassiott at time of purchase (at buyers expense), 180 day construction period. Exhibit 10 - Proposed Sewer Plant

C. E	Electricity Infrastructure			
1.	Has a site map indicating the location of all existing electrical lines been provided with this application? (YES/NO) If YES, please include Exhibit# and title of document.	⁄out		
2.	Local provider of electrical power (company name, address, phone and contact person, as appropriate)	way		
3.	Distance to provider's nearest line (feet)		On Site	
4.	Size of provider's nearest distribution line (kV)		24.9	
5.	Distance to nearest transmission line equal to or greater than 69 kV (miles)		2.4 miles	
6.	Is 3-phase service available? (YES/NO) Yes (Note: If existing 3-phase service is not available at the site, certification will require submission of a formal cost estimate, construction plan and funding source to meet the minimum level of service within a timetable of 180 days or less.) Yes If 3-Phase is NOT available at the site, include Exhibit# and title of document containing the plan to install 3-phase. If 3-phase is NOT available at the site, include			
	What additional services are to be included with this upgrade.	5		
	Can these plans be executed within 180 days? (YES/NO)			
7.	Is 2-way feed available? (YES/NO)	Yes		
8.	Peak load capacity available at site (MW)?		10MW, can be increased	
9.	Distance to nearest substation to serve the site (miles)		8.5 miles	
10.	Distance to the next closest substation to serve the site (miles)		9.7 miles	

D. Natural Gas Infrastructure					
1.	Has a site map indicating the location of existing natural gas lines been provided application? (YES/NO) If YES, please include Exhibit# and title document.	l with this	Yes Exhibit 12 - Natural Gas L	ayout	
2.	Local supplier of natural gas (Company/agency name, address, phone and contact name, as appropriate) Centerpoint Energy 2229 Charity Street Abbeville, LA 70510 Mr. Kempton Collins 337-893-2814				
3.	Distance to nearest distribution service	line (NOT tr	ransmission line)	On site	
4.	Size of distribution service line (inches)			2"	
5.	Pressure of distribution service line (psi)		100 lbs		
6.	If the distribution line is not on or immediately adjacent to the site, has a plan to extend the line (including construction budget and schedule) been provided with this application? (YES/NO) If YES, please include Exhibit# and title of document.		Line is adjacent to west boundary of site o Hwy 167		site on
0.	If the line needs to be extended to the site, can this plan be executed within 180 (YES/NO)		days?	N/A	
	What is your basis for asserting that the plan can be completed in 180 days? Engineering/construction estimate? Letter from natural gas supplier? etc.				
7.	Transmission provider of natural gas	Gulf South Pipeline			
8.	Distance to nearest transmission line (N	ne (NOT distribution line) 1 mile			
9.	Size and pressure of transmission line (inches and PSI) 8" 500			8" 500 P	SI
10.	Are any known transmission or distribut planned that will impact service to the s			ents	No

	List and describe services to be upgraded or improved.		
11.			
11.	Can these plans be executed within 180 days? (YES/NO) If so, what is the basis for this assertion?		

E. L	E. Local Product Pipeline Crossings			
	Do any pipelines cross the site? (YES	/NO)		
1.	If YES, has a site map indicating the location of any existing or proposed underground (or above- ground) product pipelines been provided with this application? (YES/NO)		No	
	If YES, please include Exhibit# and title document.	e of		
2.	Pipeline owner			
	Primary contents of pipeline			
3.	Pipeline owner			
	Primary contents of pipeline			
4.	Pipeline owner			
	Primary contents of pipeline			
5.	Pipeline owner			
э.	Primary contents of pipeline			
6.	Pipeline owner			
о.	Primary contents of pipeline			

1.	Has a site map indicating the location of all existing telecommunications lines been provided with this application? (YES/NO)	No			
	If YES, please include Exhibit# and title of document.				
2.	Local provider of telecommunications services (Company, name, address, phone and contact name, as appropriate)	AT&T 901 Hugh Wall Lafayette, LA Tom Diermann	70508	95	
3.	Distance to provider's nearest line			400 ft	
4.	Distance to nearest central office (CO) serving the	site		6 miles	
5.	Is digital switching available for the site? (YES/NO)				Yes
6.	Is fiber optic cable available for the site? (YES/NO)				Yes
7.	Are T-1 lines available for the site? (YES/NO)				Yes
8.	Are T-3 lines available for the site? (YES/NO)				Yes
9.	Is cellular or PCS wireless service available at the site? (YES/NO)				Yes
10.	Is satellite or commercial grade with an unobstructed view of the sky available at the site? (YES/NO)			t the	Yes
	If a plan is underway to improve telecommunication site, has a copy of the plan to improve the existing systems (including construction budget and schedu provided with this application? (YES/NO)	telecom lines or	No		
	If YES, please include Exhibit# and title of document.				
	If a plan has been developed, which services are to be included:				
11.					
	Can these plans be executed within 180 days? (YES/NO) If YES, what is the basis for this assertion?				S

G. I	G. Roadway Transportation Infrastructure						
1.	Has the required site map indicating the location of all existing roadways abutting or crossing the site been provided with this application? (YES/NO)			Yes Exhibit 13 - Roadway Plat			
	If YES, please include Exhibit# and title of document.						
	Nearest roadway	Roadway number	Distance site (road		Number of lanes	Width of	lanes
	Parish road	Cordell	0		2	10'	
0	State highway	697	0.5		2	11'	
2.	U.S. highway	167	0		4	12'	
	North-south Interstate highway	I-49	15				
	East-west Interstate highway	I-10	15				
3.	Can parish road sustain HS20 capacities (3-4 axle vehicles, such as semi-trucks and trailers)? (YES/NO)				and	Yes	
4.	What is the weight limit of the parish road?83,400 lb					DS	
5.	Can state highway su trailers)? (YES/NO)	ustain HS20 capaciti	es (3-4 axl	e vehicle	s, such as semi-truc	cks and	Yes
6.	What is the weight lin	nit of the state highw	vay?			88,000 ll	os
7.	Is access to site con	trolled by a traffic lig	ht? (YES/N	NO)			No
	Are there any known improvements planned for local roadways? (YES/NO). If YES, please complete the blocks below.					ΈS,	No
	Local roadway to be improved	Description of improvement, Including controlling or funding authority			Schedule		
8.							

0	Are there any known road improvements planned th highway? (YES/NO)	nat will impact access to the Interstate	No	
9.	If YES, how long will access to the interstate be impacted?			
	Are any roadway improvements required to access the site? (YES/NO)			
10.	If YES, please describe required improvements.			
	If YES, is there a state or local commitment to making these improvements? (YES/NO)			
	Do any rights-of-way need to be obtained to access	the site? (YES/NO)	No	
11.	If YES, please describe Right-of-Way needs.			
	If YES, what is the time schedule for obtaining these rights-of-way?			

H. Air Transportation Infrastructure					
1.	Name and address of nearest commercial airport with scheduled passenger serviceLafayette Regional Airport 200 Terminal Drive Lafayette, LA 70508				
2.	2. Distance in road miles to the nearest commercial airport 18				
3.	3. Average travel time to nearest commercial airport 25 minutes				
4.	Number of air carriers serving nearest commercial airport 3				
5.	Is direct international passenger se	rvice available? (YES/NO)		No	
6. Is international passenger service available within a two-hour flight? (YES/NO)			Yes		
7.	7. Is international cargo service available? (YES/NO)			Yes	

I. R	I. Rail Infrastructure					
1.	Is the site currently served by rail? (YES/N there a rail spur currently on the site or adj the site?)		No			
2.	Name of nearest freight railroad lineLouisiana and Delta is the local rail operator & BNSF is the parent company and main line operator				BNSF is	
3.	Distance to the nearest freight railroad line			7 miles		
4.	Second closest freight railroad line	Burlingt	on Northern			
5.	5. Distance to the second closest freight railroad line 10 miles					
6.	Location of nearest intermodal rail yard	Acadiar	a Regional Airport, New Iber	ia, LA		
7.	Distance in rail miles to nearest intermodal	rail yard		30 miles		
8.	If rail does not serve the site, has a plan to provide service (including construction buc construction plan, and source of funding) b attached? (YES/NO) If YES, please include Exhibit# and title of document.	lget,	No			
0.	In what time frame (number of months) can rail service to the site be provided?					
	What is the basis for this assertion? Engin	eering es	stimate? Letter from rail con	npany? etc	:.	
9.	Do rights-of-way exist for extension of line to site? (YES/NO) N/A			N/A		
10.	Do rights-of-way cross federal, state, or pa	rish road	ways? (YES/NO)			
11.	What party is responsible for ongoing maintenance of line extended to the site?					

J. Water Transportation Infrastructure						
1.	Name, address, phone and contact name (as appropriate) of nearest shallow draft port	Abbeville Harbor and Terminal District 124 North State Street Abbeville, LA 70510 337-893-9465 Jay Campbell, Director				
2.	Name of waterway at shallow draft port					
3.	What water depth is maintained at the port?					
4.	Distance in road miles to nearest shallow draft port					
5.	Does the site currently have barge docking facilities? (YES/NO)			Yes		
6.	Name, address, phone and contact name (as appropriate) of nearest deepwater port	Port of Lake Charles 150 Marine Street Lake Charles, LA 70601 337-439-3661 William Rase				
7.	Name of body of water at deepwater port Calcasieu River					
9.	Distance in road miles to nearest deepwater port 84					
10.	. Does the site currently have deepwater vessel docking facilities? (YES/NO) Y			Yes		

К. (K. Geography and Geological Assessment				
1.	Has a U.S. Geological Survey quad map with the site outlined been provided with this application? (YES/NO) If YES, please include Exhibit# and title of document.	Yes Exhibit 14 - USGS Qua	ad Map		
2.	Has a Soils Conservation Service (SCS) map which includes the site been provided with this application? (YES/NO) If YES, please include Exhibit# and title of document.	Yes Exhibit 15 - Soil Conservation Service Map			
3.	Has a National Wetlands Inventory (NWI) map which includes the site been provided with this application? (YES/NO) If YES, please include Exhibit# and title of document.	Yes Exhibit 16 - National Wetlands Inventory Map			
4.	Has a FEMA 100-year flood plain map which includes the site been provided with this application? (YES/NO) If YES, please include Exhibit# and title of document.	Yes Exhibit 17 - FEMA Flood Map			
5.	Minimum topographical elevation (ft)	I	14'		
6.	Maximum topographical elevation (ft)		16'		
7.	Topographical variation (maximum elevation minus	minimum elevation) (ft)	2'		
8.	Indicate the general grade or percentage slope of the site.		very gradual		
9.	Described the general terrain of the site (e.g., flat, gently rolling, greatly sloping, etc.).				
10.	Described the general type of vegetation on the site.	various grass			

	Identify any bodies of water or wetlands on or abutting the site.		Identify authority with jurisdiction over water body.	
11.	None			
	Has a copy of a preliminary geotechnical s been provided with this application? (YES)			
12.	If YES, please include Exhibit# and title of document.		No	
	If YES, does the geotechnical study indicindustrial development? (YES/NO)	cate that	the site is compatible with	
13.	Groundwater depth (ft)	8'		
14.	Suitability of soil for building and roadway substrate	Yes		
15.	Is soil augmentation required? (YES/NO)			No
16.	Has a color aerial photo from the past 12 r been provided with this application? (YES,		Yes - Front and rear views	
10.	If YES, please include Exhibit# and title of document.		Exhibit 18 - Aerial Photos	

L. Environmental Assessment				
1.	Has the required copy of the Phase I Environmental Assessment been included with this application? (YES/NO) If YES, please include Exhibit# and title of document.	Yes Exhibit 19 - Phase 1		
2.	Was the result from Phase I "No Further Action"? (YES/NO) If NO, what additional recommendations were made?	Yes		
	Do the findings of Phase I require a Phase II? (Y	ES/NO)	No	
	If YES, has a Phase II environmental assessmen	t been completed? (YES/NO)		
3.	If a Phase II has been completed, has a copy of the Phase II assessment executive summary been provided with this application? (YES/NO)			
	If YES, please include Exhibit# and title of document.			
	Was the result from Phase II "No Further Action"			
4.	Has the LA Dept. of Fish and Wildlife determined any endangered species? (YES/NO)	d that development will not impact	Yes Exhibit 20 - Endangered Species Determination	
5.	Has the LA Dept. of Fish and Wildlife approved a species during development? (YES/NO)	plan to avoid impact to these	N/A	
	Has a wetlands delineation/determination beer (YES/NO)	n conducted for this site?	Yes	
6.	If a wetlands determination has been conducted, has a copy of the wetland delineation/ determination been provided with this application? (YES/NO) If a copy has been included, please include Exhibit# and title of document.	Yes Exhibit 21 - Wetlands Determina	tion	
	If a wetlands determination has been conducted, jurisdictional wetlands and/or other waterways or		No	
	If jurisdictional wetlands are present, will they be certified or will they otherwise remain undevelope			

	Alternatively, will the jurisdictional wetlands be mitigated? (YES/NO)	
7.	Has the Louisiana Office of Culture, Recreation and Tourism (CRT), Division of Historic Preservation (the federally-designated State Historic Preservation Office (SHPO)), determined that archeological or historical resources are present on the site? (YES/NO)	No
	Has the State Historical Preservation Officer (SHPO) letter regarding the presence of historical or cultural artifacts on the site been provided with this application? (YES/NO) If YES, please include Exhibit# and title of document.	Yes Exhibit 22 - Historical or Cultural Artifacts

Required Documents/Exhibits Check List

- 1. U.S. Geological Survey quad map with the site outlined
- 2. Color aerial photo from the past 12 months with the site outlined
- 3. Boundary survey (including rights-of-way and easements)
- 4. Topographical map with the site outlined
- 5. Roster of owners
- 6. Copy of the deed
- 7. Copy of title abstract (if available)
- 8. Copy of the latest property assessment from the parish assessor
- 9. Site map, **with the site outlined**, indicating the location of all existing roadways abutting and/or crossing the site
- 10. Site map, **with the site outlined**, indicating location of existing water, wastewater, electrical, natural gas, telecommunications utilities lines
- 11. Soils Conservation Service (SCS) map with the site outlined
- 12. National Wetlands Inventory (NWI) map with the site outlined
- 13. FEMA flood plain map with the site outlined
- 14. Copy of a geotechnical study
- 15. Phase I environmental assessment (must be within the last 5 years for active sites and no older than 10 ten years for sites with no prior use other than agriculture/farming.)
- 16. La. Dept. of Fish and Wildlife determination that development will not impact any endangered species?
- 17. Copy of the wetland determination

- 18. State Historical Preservation Officer letter regarding the presence of historical or cultural artifacts on the site
 - 19. If applicable, a plan to improve or upgrade the existing potable water system to meet 50 thousand gal./day certification threshold (including construction budget & schedule)
- 20. Letter from the local water provider confirming excess potable water capacity.
- 21. If applicable, a plan to improve or upgrade the existing wastewater system to meet 50 thousand gal./day certification threshold (including construction budget & schedule)

 If applicable, a plan to extend existing electrical lines, or upgrade current system, to meet 3- phase certification threshold (including construction budget & schedule)
23. If applicable, a plan to extend the natural gas line (including construction budget & schedule)
 If applicable, a plan to extend and/or improve the existing telecom lines or systems to meet certification threshold (including construction budget & schedule)
25. If applicable, a plan to provide service rail service to the site (including construction budget and schedule)
26. If applicable, a copy of a Phase II assessment
